PALMA SCHOOL

Math Recommendation for Admission to Palma School

To be completed by the applicant's current Math teacher. Page 1 of 2

These remarks will only be seen by the Palma School Admission Committee and will remain confidential.

Name of Applicant			Curi	rent Grade L	evel 6 7	7 8 9 10 11	
Current Math Class Title			Curi	rent Letter G	rade in Cl	ass	
Textbook / Online Programs Being Used							
Based on your experiences with teaching students as this level, please rate this applicant for the following in reference to all students ever taught. If a topic was not covered in class, please mark the box at the far right.							
Study Habits	Excellent (Top 10%)	Strong (Top 25%)	Average (Top 50%)	Below Average	Low	Not Covered/ Observed	
Completes homework							
Writing is clear and legible							
Prepares for assessments							
Organizational skills							
Common sense							
Openness to learning new material							
Reaction to setbacks							
Critical and abstract thinking							
Numeracy							
Basic math facts (multiplication/division)							
Operations with fractions							
Operations with decimals							
Pre-Algebra							
Operations with integers							
Operations with polynomials							
Solving multi-step equations							
Graphing points and lines on coordinate plane							
Algebra							
Factoring quadratics							
Operations with exponents							
Operations with radicals							
Ability to work with 3 forms of linear equations							
Ability to solve systems of equations							
Geometry							
Using 30-60-90 and 45-45-90 triangles							
Properties of parallel lines and transversals							
Congruency of triangles (SAS, ASA, SSS, HL, AAS)							
Finding unknown angles and chords in a circle							
Advanced Algebra							
Operations with complex numbers							
Solving logarithmic equations							
Solving trigonometric equations
