From the Principal

...we are investing in perhaps the most important endeavor of all: the education of young men in mind, body and soul. I thank each of you for your important role in the mission of Palma.

Labor Day is fast approaching, and I want to thank each of you who labor and sacrifice for our school community in so many different ways. Each of us makes a conscious commitment to cultivate a community where all are to be welcomed, celebrated and affirmed with the awareness that we are investing in perhaps the most important endeavor of all: the education of young men in mind, body and soul. I thank each of you for your important role in the mission of Palma.

We have some terrific organizations under the Palma umbrella that are here both to help you and to steer your enthusiasm to volunteer for our students in so many ways. Among them, the Athletic Council and the Palma Parents' Club are invaluable to our mission in so many ways; I am grateful for their labors of love and their efforts to welcome our parents to some of our sons' best years in education here at Palma.

The Athletic Council coordinated our annual [Red & Gold Family Day](#) on August 13. Building upon a captive audience present for the football scrimmage, some informational "booths" staffed by the ASB and some student clubs were on hand to advertise the many facets of Palma. A band played, and the Palma Parents' Club offered a booth and free prizes. There was even a "kid-zone" featuring an ax throw, inflatable basketball event and an obstacle course. The event was free, and families had the option of purchasing a barbecue tri tip take-out dinner, a bag of produce, some novelties, and Palma souvenirs. This venue was provided both to celebrate the Palma Family and to allow families to meet one another and Palma staff in an informal way. It is estimated that over 500 people attended the event, complimenting the work of so many volunteers, the Athletic Council, and Athletic Director, Mr. Rob Bishop.

The Palma Parents' Club hosted our annual [Taste of Palma Parent Mixer](#) in the C-Quad on Friday, August 19. Some adult beverages were provided along with some delicious samples from Portobellos, which offers daily food services from our campus kitchen and cafeteria. This was a great way to savor some food and fellowship, and to meet other parents and Palma staff. The primary purpose of the Parents' Club is to build a sense of community among parents, planning functions that provide social events, as well as some financial support for the school. Every parent, by virtue of having a son enrolled at Palma, is a member of the Parents' Club.

The beginning of the 2022-23 school year has been terrific. Successful schools do not just happen; they are created. Forged by the toils of highly committed teachers, staff, volunteer parents, participating students and a supportive community, schools can be positioned for great success. We have a history here of many good and giving people with willing and gracious hearts. I encourage you to continue this legacy with the same generous hospitality you have graced the arrival of some of our newest families and employees. I am proud and humbled to be serving the Palma Family. *Go Chieftains!*

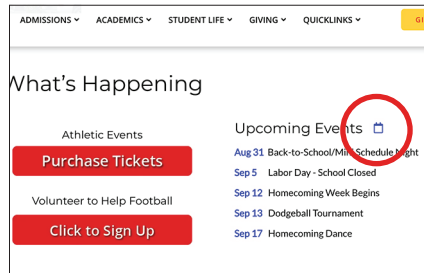

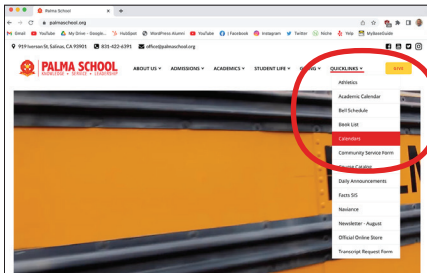

Yours in Blessed Edmund Rice,

Mr. David J. Sullivan
Principal

Get involved

There are a variety of ways the Palma community can participate at athletic events and we can never have too many volunteers. From helping out at games to providing the many hands needed at fund raising events, Palma parents are the ones who make athletics happen for our boys. Be reminded that all parents are encouraged to attend our monthly Athletic Council meetings. We would like at least one parent representative from each team, whether your sport is in or out of season, to join us. The next meeting is scheduled on Monday, September 13th at 5:30pm in the Cislini Study Center. For more information please contact Mr. Bishop in the Athletics office.

For all of your daily athletic updates please follow me on twitter at [@Coach_Rbishop](#). I tweet upcoming game times for all sports each week as well as results and other fun information regarding Palma and Palma Athletics.

Tips for student athletes

When it comes to athletic scholarships and college sports recruiting, it is important for you to become familiar with the rules and regulations surrounding the various college associations, conferences, and divisions. Violation of the rules, even while still in high school, can result in ineligibility in your future athletic career. Your first task should be to determine which associations (NCAA, NJCAA, etc.) your prospective colleges and universities belong to, and then carefully review those group's websites.

Seniors need to finalize their college list

September is the time to revisit your college list. Think again about what is important to you in choosing a college — location, majors, size, school values, diversity of student body, finances, etc. Adjust your list so that all of your prospective colleges are ones you'd be happy to attend. Now check that you have included institutions from all three tiers. Your list should include a couple of "reach" schools, then several "possibles" and finally a larger group of "probables." "Reach Schools" include those at which most accepted students have higher GPAs and/or test scores than you. A college that

accepts less than 20% of applicants also should be considered a "reach" for nearly all students. "Possibles" are those colleges which regularly accept students with grades and test scores similar to yours. "Probable" colleges are those at which your test scores and GPA would place you in the top quarter of the entering class.

Scholarships and financial aid

Scholarships come in many forms and sizes. Not all scholarships are based solely on grades and/or financial need. The Guidance office posts information on all scholarships we receive in Naviance. Many students may not be aware that they are eligible to apply for scholarships. Scholarships can be based on a wide range of criteria including academics, athletics, leadership, career interests, writing skills, ethnic background, religious affiliation, or any combination of the preceding. One can also use the internet to check out some of the outstanding FREE scholarship search sites like www.fastweb.com. This and other financial aid and college related links are indexed on the home page of your Naviance account at <http://student.naviance.com/palma>

Counselors will be meeting with all high school students this month

Counselors will be meeting with all high school students this month to create their Naviance accounts. Meetings will take place during the student's Theology or PE class. Counselors will meet with seniors every Tuesday during their Theology class during the first semester.

Financial Aid presentation for seniors and their parents

Palma and Notre Dame parents are invited to attend a virtual Financial Aid Presentation on Wednesday, Oct. 5th at 6:00pm via zoom. A financial aid officer, Marisela Gomez, from Inspired-edu will be here to explain the financial aid application process and answer questions for college-bound seniors and their families. The presentation will provide an overview of the Financial Aid programs available. Wondering what the FAFSA is? The Free Application for Student Aid is the financial aid form required by all colleges. Come to the meeting to learn how to fill out this form.

The presentation will last approximately one hour. Please create your FSA ID prior to the presentation. Zoom link: <https://us06web.zoom.us/j/7256973211>

1. Create an FSA ID — Both the student and their parent need to complete this process to sign the FAFSA electronically. The California Dream Act application includes the prompts for setting up a State Student Aid PIN for electronic signatures.
2. You can go to the FAFSA link now and create your ID's. <https://studentaid.gov/fsa-id/create-account/launch>
