## From the Principal

Our teachers will work to inspire authentic learning, even via E-School, and it is your son's job to work hard at getting there. Grades will take care of themselves for students who are genuinely committed to their own learning with academic integrity.

I am impressed by the rigor of course work our students are taking on to prepare for higher education. I have been able to pop in on a number of classes and our students and teachers are in it to win it! Palma's young men are driven, and they are challenged to find meaning and spiritual purpose beyond their achievements. In some cases, many young men come to Palma moving away from being very big fish in small ponds to being one of many big fish in a bigger pond here at Palma. "It takes more to be a Chieftain." Our young men are truly special, and I am grateful to the families, the teachers and staff, to motivate and challenge our boys of promise to become men of character. One of the many joys of my vocation is the opportunity to be witness to amazing people in the Palma Family who model and mentor leadership, learning, service, faith, families, and so much more.

Among all of your priorities, I commend you for emphasizing academic effort and process over outcomes. Better put, thank you for reinforcing **learning over grades**. Learning requires inspiration and perspiration, but if grades are one's only motivation, one may be tempted to put aside his integrity, his character, his family's good name. Our teachers will work to inspire authentic learning, even despite the masks indoors, and it is your son's job to work hard at getting there. Grades will take care of themselves for students who are genuinely committed to their own learning with academic integrity. If your son is overwhelmed by academic rigor, or (hopefully not) he is underwhelmed by the lack thereof, please communicate with your son's teacher(s); we are missioned to challenge your sons to grow in every sense of the word.

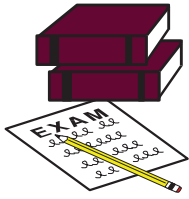

In addition to academic integrity, accountability is important to our culture here at Palma. Talk with your son about taking responsibility for himself. Perfection is not our goal here; the pursuit of excellence is, as promoted in our mission rooted in *The Essential Elements of a Brother Edmund Rice Education*. When young men make mistakes, and they will, accountability is important. Mistakes present opportunities for accountability, a trait that is critical for growth. When accountability is your concern, address it first and foremost with your son's teacher, his club advisor, or his coach. If the issue is not addressed at the most local level possible, share your concern with your son's counselor, or the Director of Student Life, Mr. Noroian. If it is not addressed there, speak with an administrator like Mr. Bishop, or Mr. Viarengo, or myself. Subsidiarity and accountability work hand-in-hand for our mutual success as a Palma Family.

Boys of promise become men of character with the right attitude, the right structure, and the right mentoring, especially when confronting adversity, which may be among the greatest of life's teachers. These last 16 months offer a myriad of teachable moments! Pandemic, social distancing, online learning, losses in income, racial unrest, fires, displacement, socio-political extremes, ...lots of adversity! Men of character? Our Chieftains will need to grow through and even because of adversity. It takes more to be a Chieftain. We are here to support you and to serve you!

This is going to be a terrific year! I am up for the challenge! Judging by what I am observing among our students and faculty, I can assure you that the rest of our campus is, too. I am proud and humbled to be serving the Palma Family. *Go Chieftains!*

Yours in Blessed Edmund Rice,

David J. Sullivan  
Principal

contains schedules, rosters and updated scores. It is part of the "gochieftains" website. You find the app at Apple and android app stores or by scanning this QR code.

## Thank you

Thank you to everyone who made Palma's Red & Gold Family Day a great way to kick off the school year. We had a lot of fun and it was great seeing you there to support our athletic programs.

## Get involved

There are a variety of ways the Palma community can participate at athletic events and we can never have too many volunteers. From helping out at games to providing the many hands needed at fund raising events, Palma parents are the ones who make athletics happen for our boys. Be reminded that all parents are encouraged to attend our monthly Athletic Council meetings. We would like at least one parent representative from each team, whether your sport is in or out of season, to join us. The next meeting is scheduled on Monday, September 13th at 5:30pm in the Cislini Study Center. For more information please contact Mr. Bishop in the Athletics office.

For all of your daily athletic updates please follow me on twitter at [@Coach\\_Rbishop](#). I tweet upcoming game times for all sports each week as well as results and other fun information regarding Palma and Palma Athletics.

# Guidance Department

Ms. Irina Short, Chair  
x242  
short@palmaschool.org

*The Guidance Office would like to welcome all returning students and families, as well as those new to the Palma community. We hope you are ready for another great year!*

## Guidance staff

Mrs. Irina Short (*above*) works with 9th, 10th, 11th and 12th graders whose last names begin with the letters L-Z.

Mr. Phil Giammanco '87 (*right*) works with 9th, 10th, 11th and 12th graders whose last names begin with the letters A-K.

Mr. Willie Beesley '86 (*right*) will be working with all 6th, 7th and 8th graders.

## Tips for student athletes

When it comes to athletic scholarships and college sports recruiting, it is important for you to become familiar with the rules and regulations surrounding the various college associations, conferences, and divisions. Violation of the rules, even while still in high school, can result in ineligibility in your future athletic career. Your first task should be to determine which associations (NCAA, NJCAA, etc.) your prospective colleges and universities belong to, and then carefully review those group's websites.

## Seniors need to finalize their college list

September is the time to revisit your college list. Think again about what is important to you in choosing a college — location, majors, size, school values, diversity of student body, finances, etc. Adjust your list so that all of your prospective colleges are ones you'd be happy to attend. Now check that you have included institutions from all three tiers. Your list should include a couple of "reach" schools, then several "possibles" and finally a larger group of "probables." "Reach Schools" include those at which most accepted students have higher GPA's and/or test scores than you. A college that accepts less than 20% of applicants also should be considered a "reach" for nearly all students. "Possibles"

are those colleges which regularly accept students with grades and test scores similar to yours. "Probable" colleges are those at which your test scores and GPA would place you in the top quarter of the entering class.

## Scholarships and financial aid

Scholarships come in many forms and sizes. Not all scholarships are based solely on grades and/or financial need. The Guidance Office posts information on all scholarships we receive in Naviance. Many students may not be aware that they are eligible to apply for scholarships. Scholarships can be based on a wide range of criteria including academics, athletics, leadership, career interests, writing skills, ethnic background, religious affiliation, or any combination of the preceding. One can also use the internet to check out some of the outstanding FREE scholarship search sites like [www.fastweb.com](http://www.fastweb.com). ## Taste of Palma Parent & Staff Mixer

Thanks to all who came out for our Parent & Staff Mixer! It was great to see everyone meeting new people and reconnecting!

## Event chairpersons needed

Our St. Patrick's Luncheon (March 16th, 2022) and Mother-Son Dance (February 12th, 2022) committees are looking for chairpersons to lead the events. Sub-committees are in place, we just need someone willing to take the reins and organize the volunteers! Please email [parentsclub@palmaschool.org](mailto:parentsclub@palmaschool.org) to volunteer or for more information.

## Palma Closet

Our Palma Closet sale on August 12th was a huge success! Parents were able to snag great deals on clothing, gear and textbooks! Thanks to all who donated items for the sale! We not only served our families, but raised nearly \$3,000 in the process. If you have gently used clothing or textbooks that your son no longer needs, Parents' Club is still accepting donations. To arrange a drop-off, please email [parentsclub@palmaschool.org](mailto:parentsclub@palmaschool.org). Please do not take donations to the school office.

Our next meeting is September 20th, 2021 at 5:00pm in the Cislini Student Center.

*Thank you for supporting the Palma Parents' Club*
